Dear Alumni,

My name is Chad Bernard and I am very excited about working at Weimar Academy as the principal next year. I am writing you this letter to let you know a little bit about myself.

I was born and raised in Michigan, and have been teaching in the Michigan Conference for the last 14 years. My wife Melinda and I have been married for 11 of those years and we really enjoy working with young people. I love to teach and have a passion for implementing the principles found in the Bible and the Spirit of Prophecy.

My wife and I are moving to Weimar for two reasons. The first reason is because we believe that God is calling us to move. Following God's will for our lives is paramount for us. Secondly, we see great potential at the academy. It contains all of the raw elements that it takes to be an amazing institution that God will hold up for the world to see. We want to be a part of that.

In closing, we need your help. Would you consider doing two things for your alma matter? One, we need you to pray for us. Please pray that God will guide and direct us down the path that He would have us travel. Secondly, would you communicate with me anything that you believe would help us become better? My phone will be on, my email will be set, and my door will be open to listen to all of your suggestions. I truly want to team up with you for the constant improvement of Weimar Academy.

Please feel free to contact me on my cell phone at 517-927-9115 or email me at [cbernard@weimar.edu](mailto:cbernard@weimar.edu). If you are local, stop by for a visit. Melinda and I hope to be living on campus by the end of July and would love to meet you.

God Bless,
